## Ray of Sunshine Geana Hile

I have lived in Charleston for the past 2 years, after having spent 23 years on the Space Coast of Florida. While in Florida, I worked in various positions within the Brevard County School System, ranging from parent volunteer, after school care leader, data clerk and High School Registrar. I have two children; a 26 year old son living and working in Jacksonville, FL, and a 21 year daughter stationed at Ft. Carson, CO, as a soldier in the US Army. I look forward to working with your children here at CCCP.
